Attached is the Income Portfolio agreement we discussed on Saturday which is basically the same agreement that you have completed before, except this will provide you a monthly source of funds of \$2,100.00 in addition to any other lump sum advances that we may obtain on your behalf.

Over the long run since the settlement claim may not be paid for 2 or 3 years, if you qualify, this source of advanced funds is far cheaper at approximately 21% per year as opposed to the future lump sum advances that will approximate 50% - 80% per year.

Please initial each page and sign pages 11,12 & 13 and return Monday as I have worked it out for you to receive your first check at the end of April even though that is less than 20 days away. The normal required lead time to produce the income is 30 days. Hopefully this helps you out !!
